

The Ideal Municipal Lease

from a bank you already know.

A growing number of municipalities and school districts use leasing to acquire assets of all types and classifications. Leasing is easy, avoids the costs associated with referendums or bonding, and only the annual payments are included in annual budgets. Essential equipment is acquired today without the costly delays due to capital appropriations.

At Security Financial Bank, we are ready help you with your leasing needs. With effective and competitive tax-exempt rates, we have a clear economic and community interest in making sure your transaction is properly structured and best serves our community. Leasing also provides you with the flexibility you need when budgets and resources change. SFB will partner with BB Community Leasing Services to assist you with any complex municipal leasing projects.

Working together, it's all about trust, economic growth, simplicity, and community reinvestment. Contact a commercial lender at Security Financial Bank when you need a municipal lease.
