Reset Your Online Banking Password

1. Select "Forgot" on your login screen, and then select "RESET."

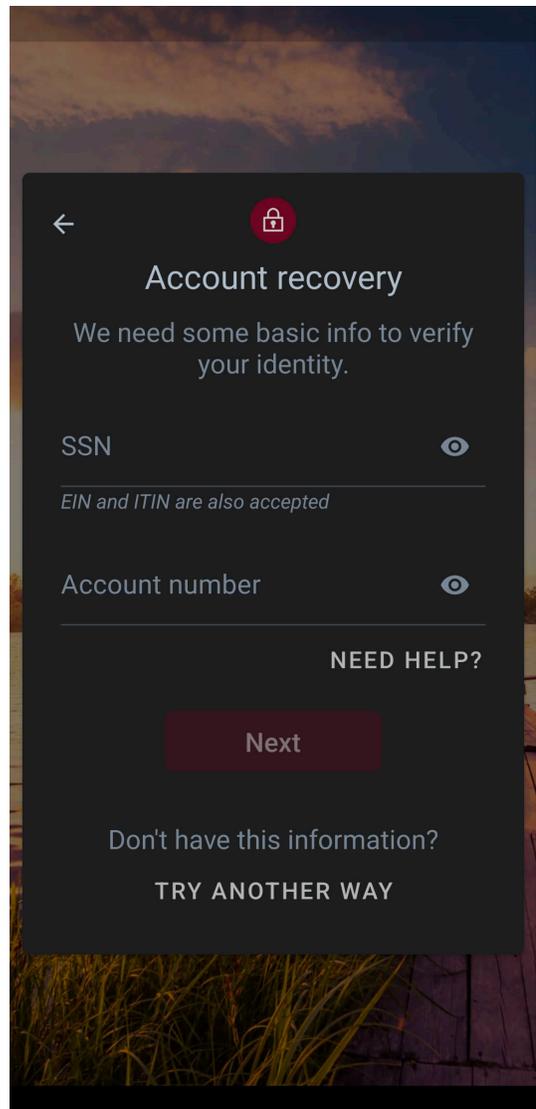

2. If you know your username, enter it here along with your email address.

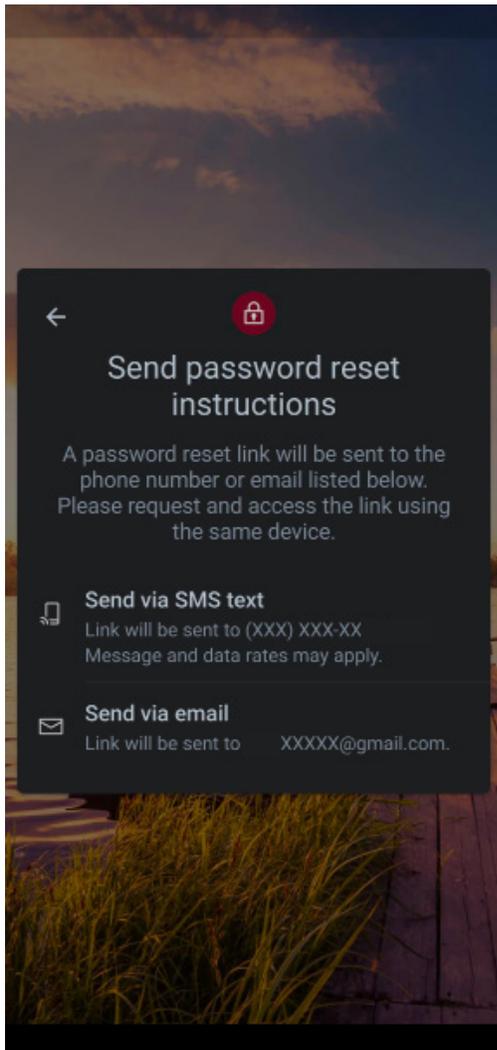

The screenshot shows a dark-themed mobile application interface for account recovery. At the top, there is a back arrow on the left and a red lock icon on the right. Below this is the title "Account recovery" and a subtitle "We need some basic info to verify your identity." There are two input fields: "Username" and "Email", each with a horizontal line below it. To the right of the "Email" field is the text "NEED HELP?". At the bottom, there is a red button labeled "Next" and a link that says "Can't remember this information? TRY ANOTHER WAY".

3. If you do not know your username or email address, select "Try another way." You will then be prompted for the Social Security number for the account and an account number related to you.

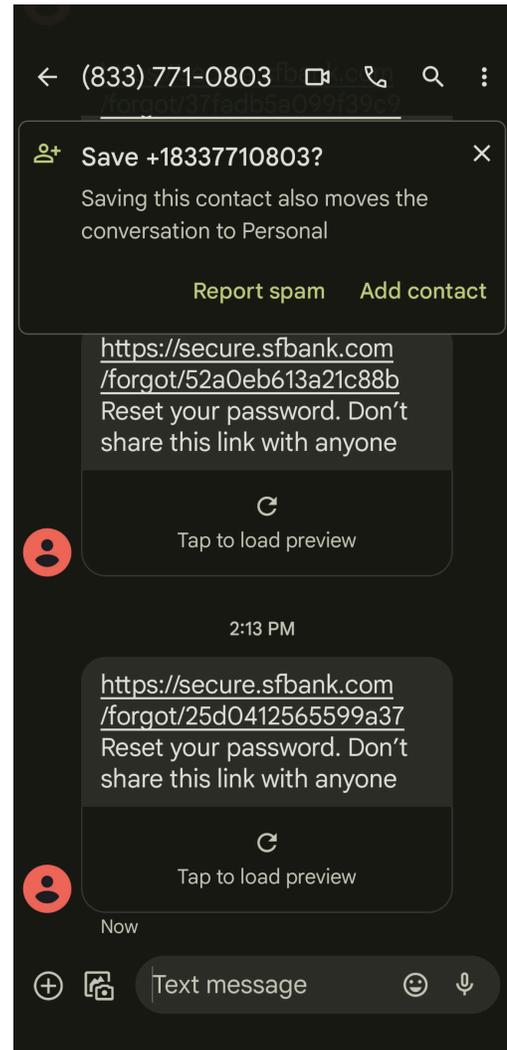

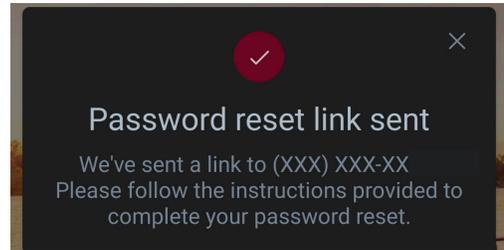

The screenshot shows the same dark-themed mobile application interface for account recovery. At the top, there is a back arrow on the left and a red lock icon on the right. Below this is the title "Account recovery" and a subtitle "We need some basic info to verify your identity." There are two input fields: "SSN" and "Account number", each with a horizontal line below it. To the right of the "SSN" field is an eye icon, and below it is the text "EIN and ITIN are also accepted". To the right of the "Account number" field is another eye icon. To the right of the "Account number" field is the text "NEED HELP?". At the bottom, there is a red button labeled "Next" and a link that says "Don't have this information? TRY ANOTHER WAY".

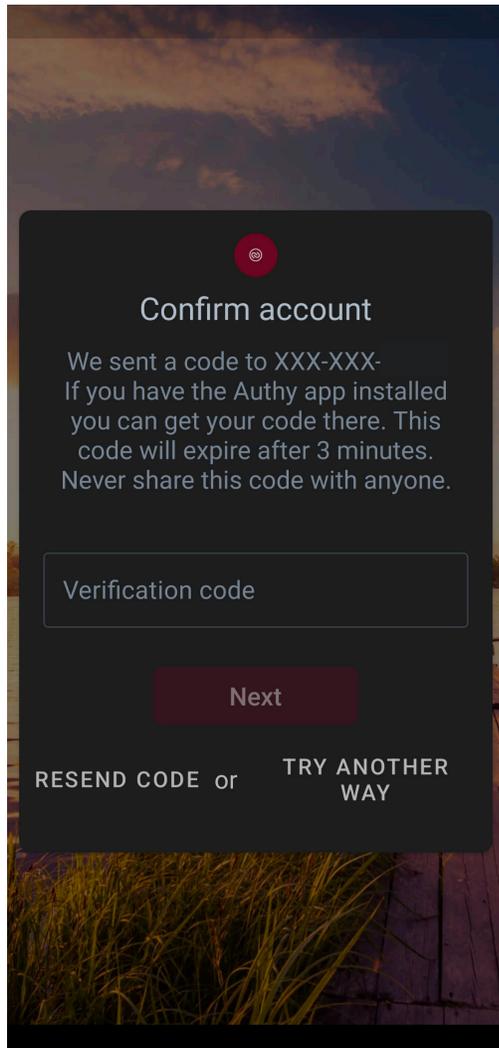

4. After completing the requested information and clicking Next, choose whether to receive password reset instructions via email or text.

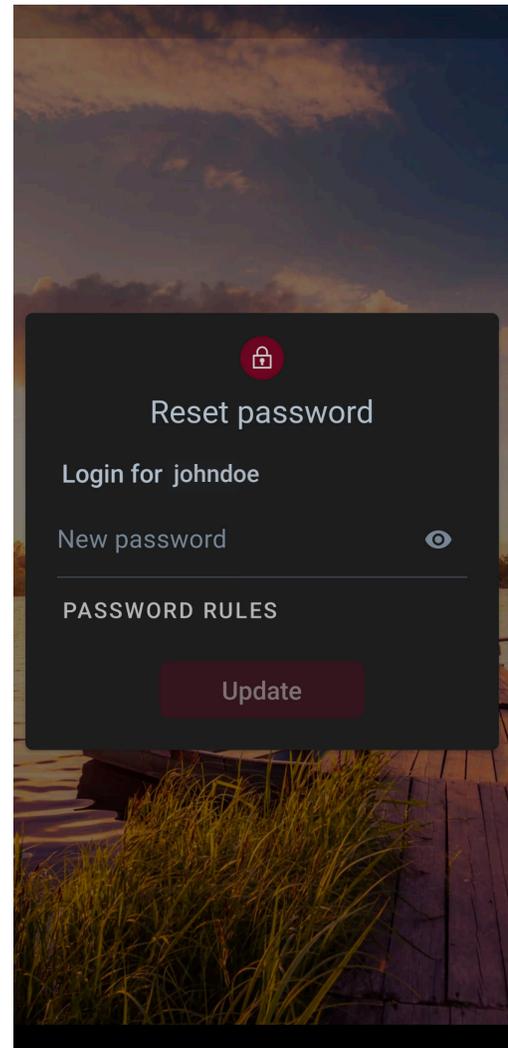

5. A link will be sent by email or text.

6. Enter the code when received.

7. Create your new password. Click "Password Rules" to see the password parameters.

NOTE: It is recommended that you add the following numbers and email address to your contacts as "SFB Online Banking" or something similar, so needed information does not go to your SPAM folder.

Password reset TEXT will come from **833-771-0803**
Security codes when logging in will come from **855-909-0331** or **22395**
Password reset emails will come from **customerservice@sfbank.com**
